Task-based language teaching, also known as task-based instruction, focuses on the use of authentic language and on asking students to do meaningful tasks using the target language. Such tasks can include visiting a doctor, conducting an interview, or calling customer service for help. Assessment is primarily based on task outcome rather than on accuracy of prescribed language forms. This makes TBLT especially popular for developing target language fluency and student confidence. As such, TBLT c

### Task-based language learning - Wikipedia

Speak in full sentences as often as possible. As your child masters words and names for the things around them, you can add information and expand on the items. The "book" can become the "blue book" and later "the big blue book," expanding your child's vocabulary and ability to describe items.
