Asher Dragon Guard Berserkers Book

Asher is a berserker subjected to 300 years of torture by his twin who did this because of jealousy. The scientists inflicting all his pain and suffering are painted with a very black brush (no redeeming qualities there). Now Asher is dream bonding with the mate Fate has chosen for him and she shares the dreams with him.

Asher is a Ruby dragon berserker who has been held captive and experimented on for three hundred years by a traitor dragon. This book took me a while to get into. It was about chapter eight that I got interested. I guess maybe the first chapters were a little confusing with the visions and memories happening as well a

The sun glistened off the rippling water in the fountain and cast a shadow over the face of the dragon statue standing guard in the center. He hated this time of day, despised the sun shining in his face, detested the scorching heat, and absolutely loathed with every cell of his being that he was helpless to do anything about it.

If you have read her previous Dragon Guards series be aware this book is no light-hearted read like they were. There is still the usual snark and humour associated with this author but this book hits the lows of grief, ultimate betrayal by kin and the despicable lengths humans will go to for their own self-serving ends.

Women berserkers to look forward to as well. This is going to be in my top 3 of the Dragon Guards series books. It made me laugh and made me cry plus has the added bonus of bringing back one of the missing dragon guards, Banning, the leader of the Berserker Force and also introduce a new clan of Dragons we have not heard of before.
