### Avid Home Theater - Home Page | AVID Home Theater

I started by zero'ing out all the settings (Brightness, Contrast, etc) and working with the AVIA Guide to Home Theater DVD. The AVIA disc is always helpful for some minor configuration, but I find the RGB settings difficult to eyeball with AVIA. I ran through AVIA twice and came up with very similar settings, but in both cases the flesh tones ...

OK, I'm getting a little frustrated here. I bought the Avia Home Theater Setup Disk AND the Sound & Vision Disk to help me optimize my home theater. Now I sat down for a couple hours and fooled around with all the settings and it looks horrible under the conditions that were "optimal." I was wondering what settings everyone else has with a ...

### Best CRT Television Settings...? - AudioReview

This DVD is designed to teach you about Home Theater and help you choose components and set them up for maximum performance. It mainly consists of test patterns and tones for calibrating video and audio with good instructions for their use, and a few instructional videos about Home Theater components and terminology.

### Avia Guide to Home Theater (Video 1999) - IMDb

Don't they do that at the factory!), they have probably never heard of "Avia" or "Digital Video Essentials"- the two most widely used DVD's for calibrating a home theater video display system. Using either Avia or Digital Video Essentials can be an interesting experience just learning the DVD menus.
