The great story of modern world history is the rise of a global system of power, commerce, finance, culture, and ideology resting first on the power of Britain and now on that of America.

## **Britain, America, and the Making of the Modern World**

A New Dawn Marr begins the series with the death of Queen Victoria and the Boer War. The population was "enjoying the bawdy pleasures of music hall", leading to concerns over the "physical and moral strength" of the working class. He describes the power struggles between David Lloyd George and Joseph Chamberlain, the women's suffrage movement, and the day on which Mr Rolls met Mr Royce.
