Crisis Intervention Acting Against Addiction

A crisis intervention is most commonly used for treating trauma and other mental health issues, but many people suffering from substance abuse will relapse as a result of a crisis situation. Many people who use an excessive amount of drugs to cope with a crisis aren't yet dependent on the drug, so it's important to intervene as quickly as possible.

Intervention Specialist, Interventionist Brad Lamm, ... This is the most often repeated myth that stops folks from acting, ... or more often thought the purposeful planning that a group of folks who love someone in crisis, can put together and then act upon. Myth #3: Our Particular Situation is Uniquely Helpless.

Intervention Specialist Brad Lamm Interventionist

Crisis intervention primarily means prevention of an imminent danger of suicide. Crisis intervention should provide care and protection to the individual, i.e., protection of life, since suicide attempts often require medical care such as admission to an internal intensive care unit for detoxification or a surgical intervention.
