### Distrust That Particular Flavor - Wikipedia

In Distrust That Particular Flavor, William Gibson says that "reliance on broadcasting is the very definition of a technologically backward society." Insightfully, he says this in The Road to Oceania , a 2003 article he wrote for the New York Times, reprinted in this book of articles and essays collected from various (nominally) nonfiction publications for which he has written over the years.

### Distrust That Particular Flavor by William Gibson

Distrust That Particular Flavor by William Gibson is the most thought-provoking collection of essays I've ever read. Gibson, one of my all-time favorite novelists, shows that his pen has equal power when dissecting our world in nonfiction. So many pages are dog-eared in my paperback copy that I may as well simply reread it immediately.
