Foundry Miniatures Painting & Modeling Guide: Dallimore ...

This article discusses various paint systems for miniatures and model painters and provides a set of charts that you can print and use to make a reference swatch board. A swatch board is a compact chart that is used to show a series of paints, their color range, opacity, and finish. An example is shown in the photo to the right. You can see a number of colors from various manufacturers, the color value range, a few shade and highlight variations, the paint opacity and how well it covers up the ...
