Dieter Rams refers to the legendary German industrial designer's expansive neo-modernist stance in its title, and that generosity of spirit suffuses the entire book, which documents an exhibition that's traveled from Osaka's Suntory Museum to the Design Museum in London and finally to the Museum für Angewandte Kunst in Frankfurt. The title

Interestingly, Van der Rohe is credited with first applying the phrase “less is more” to design, making him an icon in the minimalist movement that shaped much of the modern era. The less-is-more attitude quickly moved from architecture to other arts and industries – interior and industrial design, painting, and music.
