Flight attendants are responsible for passenger safety before, during, and after a flight. They attend to travelers' needs, from simple drink and food requests to serious medical situations.

Flight Attendant: Educational and Training Requirements

Since its founding, Embry-Riddle's Department of Flight has turned people with a passion for aviation into the best pilots in the air. In fact, the flight program was the foundation of ERAU, and it continues to provide the training for all the programs at the university that require flight training.

Flight | Embry-Riddle Aeronautical University - Daytona ...

Additionally, resource rates are available to all flight students via a report that can be generated on demand through ETA, the flight management system; so their training cost can be monitored as they progress through the course. The cost of flight training at Embry-Riddle is an expense that is hard to quantify for each individual student.
