**Mangoes: Are They Healthy?**

Hello everyone, I'm trying to figure out what everyone's favorite polyembryonic mangoes are. I live in Southern California and want to grow a large mango tree and would like to plant the seeds of some good tasting polyembryonic mangoes. I currently have a Nam Doc Mai tree but it is growing extremely slow.

**What are your favorite polyembryonic mangoes?**

In America, we get mangoes from a lot of different countries across Central and South America, to include Mexico, Ecuador, Peru, Guatemala, Brazil, and Haiti, as well as from our own backyard in California and Florida. What does this mean? Due to varying growth calendars, we can pretty much have mangoes all year round!
