Nissan Keyless entry remote, also known as unlocking remote or unlock button, is simply a remote that allows you to lock and unlock your car with a remote, instead of the manual key. In addition, some remotes allow you to pop to the trunk and have a panic button.

Nissan Keyless Entry System & Remotes. All You Need to Know.

Unlocking /locking your Nissan with keyless entry: When the doors to your vehicle are closed and locked, press the button on the door handle once and you will be able to unlock the driver's side door. Close the door and press the button once and the door will once again lock. Unlocking/locking your entire Nissan with keyless entry:

How does Nissan keyless entry work?

Obviously this is the keyless entry option or accessory. But since I bought it from auction, i have no way to know the correct entry code. The local NISSAN dealer (Sutherlin - Mall of Georgia) was totally useless. Well not totally, they tried to look at some paperwork, but shrugged. Anyone have info on resetting the code, factory default, etc etc?

Keyless entry - remote keypad on door | Nissan Versa Forums
