Notes from Underground: Zines and the Politics of Alternative Culture offers a look at the underground community of people who created self-published zines. The author explains what zines are, the categories of zines that are created (and the categories of people that create zines), and why zines had become so popular.

Notes from Underground: Zines and the Politics of ...

A timely new critical study, Stephen Duncombe's *Notes from Underground: Zines and the Politics of Alternative Culture* (1997), throws some light on the current state of zines and what's at stake. Duncombe, a professor of American Studies and a zine-maker himself, locates zines within a wider bohemian tradition, and maps out both the potential and the limits of their cultural radicalism.
