Students should have the opportunity to first use the skills with text that they hear the teacher read aloud, and then later with text that they read independently at their own level. The comprehension skills and strategies listed above can be used with the whole class, as they closely align with reading and language arts standards for elementary and middle school students.

### 5 Ways to Support Students Who Struggle With Reading ...

Read for pleasure, information, instructions, connecting with others, and so on. Read. Read a little more than you've been reading lately. Share your reading experiences. Share with colleagues, friends and students. Tell them what you've been reading, what you've gained or learned from these texts, what you recommend.
