Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example.

The Marriage Exchange Property Social

Exchange marriage, form of marriage involving an arranged and reciprocal exchange of spouses between two groups. Exchange marriage is most common in societies that have a unilineal descent system emphasizing the male line (patrilineality) and a consistent expectation of postmarital residence with or near the groom's family (patrilocality). In such cases, the symmetry of an alliance is often ...

Women in Culture and Society Ser.: The Marriage Exchange ...

Marriage rules over time create social structures, as marriages are primarily forged between groups and not just between the two individuals involved. When groups exchange women on a regular basis they marry together, with each marriage creating a debtor/creditor relationship which must be balanced through the "repayment" of wives, either directly or in the next generation.

Alliance theory - Wikipedia

Social exchange theory is a model for interpreting society as a series of interactions between people that are based on estimates of rewards and punishments. According to this view, our interactions are determined by the rewards or punishments that we expect to receive from others,
